

This is outrageous, and I am doing everything I can to make sure this wrong is corrected. Mark my words: it will be corrected. I am working with Helen's family, the State Department, and the Department of Homeland Security to make sure that we are successful in bringing Thuy to Helen as soon as possible.

PAYING TRIBUTE TO CORPORAL DANIEL FRANCIS KELLY

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Madam Speaker, I rise today to pay tribute to Corporal Daniel Francis Kelly, who, after being listed as missing in action in Korea for 67 years, is finally home.

Danny was the youngest of nine boys of Irene and John Kelly from Pittsburgh's north side. Seven of his eight brothers served in World War II, one of whom was Medal of Honor recipient Chuck "Commando" Kelly. Danny idolized Chuck and wanted to be a war hero just like him.

With Chuck's help, Danny enlisted in the Army in 1950, at the age of 17. By November of that year, as part of the 9th Infantry Regiment, 2nd Infantry Division, he found himself at the Battle of Ch'ongch'on River, where he was captured on November 26. It is believed he died at the POW camp known as "Death Valley" in March 1951.

Corporal Kelly, this week, your country gives you the funeral with military honors you have long deserved. Like your brother Chuck, you are a hero. A grateful nation says "thank you."

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him.

COMMUNITY HEALTH CENTER FUNDING

(Mr. TAKANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAKANO. Madam Speaker, I rise to remind my colleagues that we have just 4 days to authorize mandatory funding for our Nation's Community Health Centers.

If Congress fails to act before September 30, the Community Health Center program will suffer a 70 percent cut to its funding. Our constituents and our economy will suffer the consequences.

Without this funding, an estimated 2,800 health center facilities will be forced to close, 51,000 medical professionals will lose their jobs, and 9 million patients will lose access to the care they rely on.

The critical role Community Health Centers have in serving patients is beyond dispute, and it should be beyond partisanship.

While our Senate colleagues are scrambling to meet a self-imposed deadline, they are ignoring real dead-

lines that we must meet. We must fund these health centers this week, or we will be responsible for the economic and human cost of our inaction.

THANKING THE SEATTLE SEAHAWKS

(Ms. JAYAPAL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JAYAPAL. Madam Speaker, I rise today to thank my home team, the Seattle Seahawks, for joining nearly 200 NFL players across the country who exercised their First Amendment right to protest during the national anthem. I fully support their right to do so.

These players used their platform to draw attention to the racial and social injustices of our time and to condemn the racism and divisive rhetoric coming from President Trump.

Athletes practice unity in a way that few others do, coming from every walk of life and pulling together to model unity every single game.

Let us be very clear: these protests are not about disrespecting the flag or our country's brave men and women in uniform. They are about the oppression of people of color, the number of black men gunned down by police, and the school-to-prison pipeline. These protests are about speaking out about unacceptable behavior and rhetoric and fighting for justice.

I thank our players and the Seahawks for addressing these issues with unity, compassion, and truth. I thank Colin Kaepernick for starting this important conversation.

STANDING WITH DACA RECIPIENTS

(Mr. ESPAILLAT asked and was given permission to address the House for 1 minute.)

Mr. ESPAILLAT. Madam Speaker, September 5, 2017: that is a day that will forever be ingrained in the minds of immigrants and DREAMers as the day that Donald Trump crossed a moral line.

The President is playing hot potato with a group of young people who, like me, came to this country "with heart," "con corazon;" "with humility," "con humildad;" and "with a desire to do more," "con el deseo de hacer mas."

DREAMers are "fighters," "luchadores." They are fighters, and so we will not rest until the Dream Act is the law of the land and until DREAMers and their parents can go to sleep without the fear of ICE knocking on their door and showing up in their place of worship, school, or at a hospital.

To my colleagues, we urge you to stand with us, stand with 800,000 DACA recipients, and stand with their parents in passing the Dream Act.

The SPEAKER pro tempore. Members are reminded to refrain from en-

gaging in personalities toward the President.

HURRICANE-RIDDEN PLACES

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. In hurricane-ridden places, DREAMers are extraordinarily scared for their families, for the ability to recover from damages; and I see it every day.

It is imperative that Republicans sign this bill to save and protect our DREAMers, who are, in fact, Americans. Do it for all of those who are suffering.

Then, Madam Speaker, let me explain to you that FEMA needs to address the poverty of my constituents, individuals who are calling me in their apartments when their 84-year-old mother and themselves have lost everything, and they cannot get a FEMA inspector to that apartment.

I will be addressing this with FEMA Director Brock Long, but we cannot go this route. People are still in uninhabitable housing. Over the weekend, seniors were evicted from their housing with no place to go.

I am engaged with our public housing authority, but we have got to have a system that is orderly for those who are living in uninhabitable housing. And, FEMA, you have got to enhance the inspectors. These people are waiting for over a month for you to come to their apartment or home to inspect, because they have no resources at all, and they are depending upon the FEMA dollars based upon your inspection for the loss of personal items.

The hurricane is still on for my friends in Puerto Rico and Florida and the Virgin Islands and Texas.

REPUBLICANS NEED TO JOIN DEMOCRATS IN BIPARTISAN LEGISLATION

(Ms. PELOSI asked and was given permission to address the House for 1 minute.)

Ms. PELOSI. Madam Speaker, I associate myself with the concerns expressed by Congresswoman JACKSON LEE about those who have been affected by the hurricanes. They need not only our compassion but our help as soon as possible. I thank Congresswoman JACKSON LEE for her leadership.

I also associate myself with the remarks of others who have talked about the discharge petition here. This discharge petition will not only discharge a bill, it will discharge the realization of hopes and dreams and aspirations of so many hundreds of thousands of young people in our country.

Just to put it in historic perspective, we did pass a Dream Act in 2010, in the House of Representatives. We couldn't pass it in the Senate, because it required 60 votes, but it did receive a majority of the vote in the Senate.

President Obama, as people know, issued an executive order. President
